

LOAVES & FISHES

...INCREASING IN WORD AND DEED.
1 JOHN 3:18

As we enter the new year, demand for the services of Loaves & Fishes continues to increase. So many people are finding themselves at our doors for the very first time, a very humbling experience for them. **Please pray** that their time here is as comfortable and meaningful as possible.

Along with a hot lunch and bountiful groceries, we also address the emotional and spiritual needs of our guests. Won't you agree that everyone benefits from encouragement and prayer?

Besides our normal weekly schedule, we also assist a Bristow church with its food ministry each month. They open their doors to folks needing grocery assistance, and Loaves & Fishes furnishes the food and oversight of their outreach.

For families who speak Spanish only, we operate a weekly outreach at Centro Familiar de Adoracion Church, just a few blocks away from Loaves & Fishes. This ministry is very successful in sharing good food and Good News with dear people with whom we previously struggled to communicate.

On the second and last Saturday of every month, we welcome men who are alone and in need of grocery assistance. On alternating Saturdays, Pamela Harrison (www.pamelaharrisonministries.org) ministers challenging messages primarily to women who are seeking to live in the freedom God intends for them. This is a dynamic Bible Study for anyone, male or female! Call us, if you are interested in attending or even assisting.

There's a lot going on right now at Loaves & Fishes! Consider giving financially and/or joining our volunteer crew as we reach out to make a difference in the lives of lost and hurting people. Call (918) 234-8574 for volunteer details. Remember! You can make a secure donation at
